RING OUT TO APPEAR AT FROME FESTIVAL

Ring Out is a celebration of bell-ringing

Ring Out will form part of this year's Frome Festival with 13 events taking place across the 10 days. There will be walks, talks, concerts and tours. Listen out for the Frome Carillon ringing the hours from above the market square, visit a local bell tower or a bell engineering works. You could even try your hand at hand-bell ringing or even ring a tower bell.

For details of events visit the festival website - the project is also made possible with the collaboration of many local partners: Bell ringers from Somerset and Wiltshire, Poetry in Motion, Frome Museum, St John's Church, Matthew Higby & Company Ltd, The Silk Mill and Frome FM Community Radio.

Ring Out, a bell-founding and ringing celebration project to take place at Frome Festival, thanks to Heritage Fund grant.

Rook Lane Arts Trust and Artmusic have announced that their new

project Ring Out, a celebration of bell-founding and bell-ringing, has been awarded a grant by The National Lottery Heritage Fund. Funding has also been awarded by Frome Society for Local Study and Frome Town Council (The Mayor's Fund 2022).
